

Pre-Approval Checklist

Start the Pre-Approval Process Before Looking for a Home

By starting the pre-approval before you start your home search, you'll find out how much home you can afford, and be set to make an offer when you find the home of your dreams. To get started, please bring the following to your consultation:

The Basics:

- Legal Name
- Birthdate
- Social Security Number
- Address (from past three years)
- Employer name & addresses, employment dates & job titles (from past three years)
- Monthly income (from past three years)
- Assets & amount of each
- Current Mortgage statement (if applicable)
- Current Home Owners Insurance Policy (if applicable)

And Don't Forget:

- Two pay stubs
- W2 forms and/or tax returns (from past 2 years)
- Two monthly bank statements
- Proof of retirement statements (if applicable)
- Description of any bad credit (if applicable)

Other documents may be requested, if needed. Upon verification of the above information, a pre-approved letter will be issued as proof of financing.
