TERMS AND CONDITIONS

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A MEMBERSHIP ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, the U.S.A. Patriot Act requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: when you open an account, we will ask for your name, physical address, date of birth, taxpayer identification number, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. We will let you know what additional information is required.

AGREEMENT

This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully. If you sign the Membership Application or open or continue to have your account with us, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please contact us.

This agreement is subject to applicable federal laws and the laws of the State of Illinois (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

1. summarize some laws that apply to common transactions;
2. establish rules to cover transactions or events which the law does not regulate;
3. establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
4. give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the Membership Application for your account or in some other document. As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular.

BYLAWS

Our bylaws, which we may amend from time to time, establish basic rules about our Credit Union policies and operations which affect your account and Membership. Our right to require you to give us notice of your intention to withdraw funds from your account is described in the bylaws. Unless we have agreed otherwise, you are not entitled to receive any original item after it is paid, although you may request that we send you an item(s) or a copy of an item(s). Dividends are based on current earnings and available earnings of the Credit Union after providing for required reserves.

MEMBERSHIP ELIGIBILITY AND REQUIREMENTS IN THE CREDIT UNION

To become a Member of our Credit Union you must be in our field of Membership as described in our Bylaws or Charter and open and maintain at least one savings account with the minimum required Membership savings amount described in the Bylaws (or otherwise required). You must maintain one share in your Membership Savings Account as a condition of admission to Membership. If the balance in your Membership Savings Account falls below the par value of one share, and you do not increase the balance to at least the par value of one share within 60 days of the reduction, you may be terminated from Membership immediately.

ACCOUNTS WITH ZERO BALANCES

Any account or suffix with a zero balance for 6 months will automatically be closed.

AMENDMENTS AND TERMINATION

We may change our bylaws and any term of this agreement. Rules governing changes in rates are provided separately. For other changes we will give you reasonable notice in writing or by any other method permitted by law. We may close this account if your Membership in the Credit Union terminates, or by giving reasonable notice to you and tender of the account balance personally or by mail. At our option, we may suspend your rights to Membership if you violate the terms of this agreement. You must keep us informed of your current address at all times, failure to do so is violation of this agreement. Notice from us to any one of you is notice to all of you.

LIABILITY

You agree for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. This includes liability for our costs to collect the deficit including, to the extent permitted by law, our reasonable attorneys' fees.

CONSENT TO CONTACT

We may occasionally have products or services that we think may be of interest to you. The Telephone Consumer Protection Act (TCPA) of 1991 sets standards to protect the rights of consumers by requiring businesses to comply with a series of restrictions governing how and when commercial solicitation calls can be made, unless the consumer gives express consent to contact. You give us, and third party vendors calling on our behalf, your consent to use automated technology to call or text you at the phone number(s) given by you, including your wireless number if provided.

For example, in the event of fraud on your account, a third party vendor may contact you at the number(s) you provide with important information. Standard message and data rates may apply. Refer to your communications service provider. You represent and agree that you will immediately notify the Credit Union in the event you change your wireless telephone number. You have the right to opt out of this consent at any time in any reasonable way, including in writing, over the phone, or in person.

DEPOSITS

We will give only provisional credit until collection is final for any items (other than cash) we accept for deposit (including items drawn "on us"). Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next following business day that we are open.

WITHDRAWALS

Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs in the space designated for signatures on the Membership Application may withdraw or transfer all or any part of the account balance at any time. We may charge your account for a check even though payment was made before the date of the check. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us, by any method we do not specifically permit, which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. Even if we honor a nonconforming request, we may treat continued abuse of the stated limitations (if any) as your act of closing the account. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. The fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later.

HOW MEMBERSHIP ACCOUNTS ARE TITLED

To join our Credit Union, open, own, be on an account and apply for or use a service, in addition to providing us with your current name, residential or business street (or physical) address (and, if different, your mailing address), phone number and birth date, we will require you to provide us with current government issued pictured identification and a Social Security Number (SSN) or Employer identification Number (EIN) (generically referred to as Tax-payer Identification Number). We will further require you to confirm for IRS reporting purposes that the SSN or EIN matches the name. Accounts are titled so that the name used on the account matches the Social Security Number or Employer Identification Number you have provided for the account in order to satisfy legal and data processing requirements.

OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION

These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. This Credit Union is hereby authorized to recognize any of the signatures subscribed on the signature instrument for the purposes of payment of funds or the transaction of any business for this account. We reserve the right to refuse some forms of ownership on any or all of our accounts. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds. You understand that when you open a savings account under an account number assigned to you by us, the ownership and/or survivorship features of the savings account apply to all your other accounts opened (added) under that account number. If you would like to open and own one or more accounts with different ownership and survivorship features than your savings account, we will assist you in obtaining an additional account number for the account(s), which may be opened on a new Membership Application. The Primary Member is authorized to update, change, or delete at any time the beneficiary designations.

INDIVIDUAL ACCOUNTS

An account owned by you alone.

JOINT ACCOUNTS-WITH RIGHT OF SURVIVORSHIP

An account in the name of two or more persons who possess equal rights to conduct transactions on, initiate, change, add, close and/or terminate the account and/or related services. Each account owner owns the account with right of survivorship. This means that when one owner dies, his or her interest in the account and the funds in the account are owned by the surviving owner or owners of the account, subject to the terms of this Agreement. All owners, are liable for all transactions, initiations, changes, additions, closure or termination of an account or service, and for any changes, fees, losses or liabilities'

incurred for any transaction, initiation, change, addition, closure or termination of an account or service regardless of which owner conducted or benefited from the transaction, initiation, change, addition, closure or termination. If any owner owes us money for any reason, we may enforce our rights against all owners.

REVOCABLE TRUST ACCOUNTS

If two or more of you create this type of account, you own the account jointly with Right of Survivorship. Beneficiaries of this account type cannot withdraw unless: (1) all persons creating the account are deceased, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of the owner(s) of the account, such beneficiaries will own this account in equal shares without right of survivorship. The person(s) creating a Revocable Trust account reserves the right to: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at any time. We may require you to provide us with a notarized trust certification confirming your powers as a trustee prior to opening the account. We are not required to know, understand, interpret, or enforce the terms of your written trust instrument. The Credit Union only accepts trusts that allow co-trustees to act independently.

ILLINOIS UNIFORM TRANSFER TO MINORS ACT (UTMA ACCOUNTS)

This is a custodial account set up for the benefit of a minor. Only the custodian may transact business. The minor may not withdraw from the account. The UTMA gift is irrevocable and neither the donor nor the custodian has the right to recover and/or make use of the funds other than for the use or benefit of the minor. Under this act a minor is defined as an individual under age 21. Only one custodian is permitted on this account.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING BUSINESS ACCOUNT

To help the government fight financial crime, federal regulation requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account for a covered Legal Entity. Rules under the Bank Secrecy Act will aid the government in the fight against crimes to evade financial measures designed to combat terrorism and other national security threats.

LEGAL ENTITY

A legal entity includes a corporation, limited liability company, or partnership. As a covered Legal Entity, we are required to ask identifying information (name, address, date of birth, and social security number) and obtain identification documents for each individual owner of the business. All owners will be required to be added onto the Business Membership.

BUSINESS ACCOUNTS

Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. You represent that you have the authority to open and conduct business on this account on behalf of the entity. We may require the governing body for the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

HIGH-RISK BUSINESS ACCOUNTS

DuPage Credit Union reserves the right to deny business entities classified as "High-Risk" in accordance with the Bank Secrecy Act (BSA). This specifically includes, but is not limited to business entities that conduct transactions involving money services businesses, internet gambling, marijuana-related services and online tobacco.

AUTHORIZATION TO OBTAIN INFORMATION

You agree that we may check your account, employment and credit history, which includes obtaining reports from third parties and credit reporting agencies, to confirm your eligibility for Membership, account and services we may offer. Only an owner, agent or trustee specifically named on an account is entitled to and can access information concerning Membership, the account, a service or a transaction related to the account. If there are multiple owners, agents or trustees on an account, any owner, agent or trustee may obtain or consent to the release of all information about Membership, the account, a service or a transaction pertaining to that account. You understand and agree that you may be charged a research fee for any time spent by us addressing your information request concerning your account or related services as stated in our Fee Disclosure.

AMENDMENTS TO THIS AGREEMENT

We may change our bylaws and any terms of this agreement. Rules governing changes in rates are provided separately in another document. For other changes we will give you reasonable notice in writing or by any other method permitted by law. You may change and/or add to your one owner or one trustee account and related services at any time by contacting us and upon our request completing a new Membership Application. You may change and/or add to your multiple owner or multiple trustee account and related services at any time by contacting us and upon our request completing a new Membership Application agreeing to the change. You understand that when you request to remove a joint owner we will require you to open a new Membership account. DuPage Credit Union may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the funds in the account; (4) any checks are lost or stolen.

CLOSING OF YOUR MEMBERSHIP AT THE CREDIT UNION

You may end your Membership with the Credit Union at any time by providing us with written notice of your desire to end your Membership, according to the terms of this Agreement. You understand that ending your Membership does not release you of your responsibilities, obligations and liabilities to us under this Agreement. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items and charges to be paid from the account.

LIMITATION OF SERVICES

Membership at our Credit Union is a privilege granted to you by our Members under State law. DuPage Credit Union is committed to providing exceptional products and services in a professional and safe atmosphere for our Members and Team

Members. Our Limitation of Services policy defines circumstances in which services may be restricted or limited. If your loan becomes 45 days or more past due, services for all your accounts and any account which are held jointly may be blocked. This includes but is not limited to: all account access and ATM/Debit card use. Thereafter, we may require you to bring your loan current for any account restrictions to be removed.

DENIAL OF SERVICES

This policy is not enacted to restrict the rights and freedoms of anyone, but rather to address certain unacceptable conduct to assure the rights and protections of the Credit Union's Team Members and Members. Members who caused us a loss, including bankruptcy, having not repaid a loss, lack of acceptable identification, engage in abusive, threatening, disruptive, obscene, fraudulent, illegal, dishonest or harassing behavior or who choose to use profane and/or intimidating language on Credit Union premises toward our Team Members, Members, Volunteers, or Officials will be subject to the following: denial of Credit Union services other than the right to maintain a (non-dividend earning) share account that is restricted to no deposits, no cashing checks or any other services will be available. Your only service would be to withdraw our funds.

CREDIT UNION TERMINATION

Should violation of this policy be determined to be sufficiently egregious, the Board of Directors may vote to terminate the Membership of the offending Member and subsequently close all accounts and terminate any and all services made available in relation to their Membership. Termination in the Credit Union, that involve(s) personal contact with employees, volunteers or officials; denial of access to any Credit Union property; and any other action deemed necessary under the circumstances, is the sole discretion of the Credit Union, that is not expressly precluded by applicable federal and state laws. We may close this account by giving reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. A Member who causes the Credit Union a loss may have their loss reduced by available funds in their account, have the remainder, if any, mailed to their last known address, have their account closed, and may not be able to reopen their account in the future.

RIGHT TO REPAYMENT OF INDEBTEDNESS

You each agree that we may (without prior notice and when permitted by law) charge against and deduct from this account any due and payable debt owed to us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we charge the account, including any balance the due date for which we properly accelerate under the note. In addition to these contract rights, we may also have rights under a "statutory lien." A "lien" on property is a creditor's right to obtain ownership of the property in the event a debtor defaults on a debt. A "statutory lien" is one created by federal or state statute. If federal or state law provides us with a statutory lien, then we are authorized to apply, without prior notice, your shares and dividends to any debt you owe us in accord with the statutory lien. Neither our contract rights nor rights under a statutory lien apply to this account if: (a) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (b) the debtor's right of withdrawal arises only in a representative capacity. We will not be liable for the dishonor of any check or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment. You understand and agree that if you owe us money as a Member, owner, trustee, agent, successor trustee, drawer, endorser, borrower, guarantor or any other capacity; we may have a claim no matter what the source of funds in the account, including directly deposited government entitlement or benefits such as social security deposits. At our discretion, we may apply the funds from any account you are an owner, trustee, beneficiary payee of or have any ownership in to pay off your obligations to us without notice to you at any time. If we chose not to enforce our lien or contractual security interest our non-action is not a waiver of our rights to enforce our rights at a later time.

NEGATIVE INFORMATION NOTICE

We may report information about your loan, share, or draft accounts to credit bureaus, including late payments, missed payments, and loan defaults, which may negatively affect your credit score.

OVERDRAFT PAYMENTS

We may, at our discretion, pay overdrafts on a transaction in which insufficient funds are available. Payment of any overdrafts does not guarantee payment of all overdrafts. If we pay the overdraft, you will be charged an overdraft fee. If we return the item instead, you will be charged an NSF (non-sufficient funds) fee. The order in which payments are processed may not be the order in which the transactions occurred, which may affect the amount of fees you are charged. For fee amounts, see the Current Fees and Charges Schedule. The categories of transactions for which an overdraft fee may be imposed are those by any of the following means: share draft, in-person withdrawal, ATM withdrawal, or other electronic means.

DIRECT DEPOSITS

If, in connection with a direct deposit plan, we deposit any amount in an account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

THIRD-PARTY CHECKS

Third-party checks - checks payable to one party who endorses the check over to another party. Third-party checks will be accepted for deposit at the Credit Union's sole discretion. If we accept the third-party check, all payees must be present (with valid identification) in order to accept these items for deposit.

STALE-DATED CHECKS

We are not obligated to pay any check on which the date is more than six months old, but we will have no liability of any kind to you if we do pay it.

POST-DATED CHECKS

A postdated check is one which bears a date later than the date on which the check is written. We may properly pay and charge your account for a postdated check even though payment was made before the date of the check. .

STOP PAYMENTS

You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. To be effective, your stop-payment order must precisely identify the account number, date, amount of the item, and the payee. You may stop payment on any item drawn on your account, whether you sign the item or not, if you have an equal or greater right to withdraw from this account than the person who signed the item. A release of the stop-payment request may be made only by the person who initiated the stop-payment order. Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

TELEPHONE TRANSFERS

A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. Unless a different limitation is disclosed in writing, we restrict the number of transfers from a savings account to another account or to third parties, to a maximum of six per month (less the number of "preauthorized transfers" during the month). Other account transfer restrictions may be described elsewhere.

MEMBER STATEMENTS

You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you. You further agree that if you fail to report any unauthorized signatures, alterations, forgeries, or any other errors in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

RESTRICTIVE LEGENDS

We are not required to honor any restrictive legend on checks you write unless we have agreed in writing to the restriction. Examples of restrictive legends are "must be presented within 90 days" or "not valid for more than \$1,000.00."

PLEDGES

Each owner of this account may pledge all or any part of the funds in it for any purpose to which we agree. Any pledge of this account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective.

ACH AND WIRE TRANSFERS

This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer for which Fedwire is used, and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. If we receive a credit to an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

FACSIMILE SIGNATURES

Unless you make advance arrangements with us, we have no obligation to honor facsimile signatures on your checks or other orders. If we do agree to honor items containing facsimile signatures, you authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us. You give us this authority regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signatures for this purpose. You must notify us at once if you suspect that your facsimile signature is being or has been misused.

NOTICE OF ADDRESS CHANGES

You are responsible for notifying us of any change in your address. You must notify us in writing, through Online Banking, or at one of our Branch Office locations. For address changes on joint accounts, all joint owners must notify us in writing, thru Online Banking, or at one of our Branch Office locations. Any communication we send to you at the last address as shown on our records will be binding on you for all purposes. You agree we may change your address on our records based on information provided by the United States Postal Service without notice to you.

INACTIVE MEMBERSHIPS

If you have had no financial transaction activity in the last twelve (12) months, the Credit Union may classify your account as an inactive account and may charge a monthly inactive account fee as set forth on the Current Fees and Charges Schedule.

DORMANT MEMBERSHIPS

If you have had no financial transaction activity in the last twenty-four (24) months, the Credit Union may classify your account as a dormant account and may charge a monthly dormant account fee as set forth on the Current Fees and Charges Schedule.

UNCLAIMED PROPERTY ACCOUNTS

An Unclaimed Property Account or Abandoned Account is when there has been no deposit, withdrawal, or other contact with you for three (3) years. As required by the Illinois Uniform Disposition of Unclaimed Property Act your account is presumed to be abandoned property. The balance of your account, less the processing fee (See Current Fees and Charges Schedule), will be remitted in accordance with state law. Once funds have been turned over to the state, the Credit Union has no further liability to you for such funds and if you choose to reclaim such funds, you must apply to the appropriate state agency. The Credit Union will mail you notification(s) required by applicable law to the address we have for you in our records, notifying you that your funds will be subject to be sent to the state if you do not contact us within a reasonable time.

INACTIVE CHECKING ACCOUNTS

If your Checking Account has no activity for twelve (12) months, your Checking Account may be charged a monthly inactive fee as set forth on the Current Fees and Charges Schedule.

POWER OF ATTORNEY

An owner may name another individual to act on the owner's behalf using a written power of attorney. Except as prohibited by applicable law, we reserve the right, in our sole discretion, to not recognize a power of attorney to act on an account. We reserve the right, in our sole discretion, to consult counsel regarding the meaning and scope of any written power of attorney. If we do recognize a power of attorney, the names attorney-in-fact (Agent) acts solely in the capacity for the benefit of the names owner(s) (Principal). Both Principal and Agent certify that any funds deposited into or withdrawn from the account are properly with the Agent's custody and may be lawfully deposited into or withdrawn from the account in accordance with authority duly vested in the Agent. The Agent is not an owner of the account, no funds in the account belong to the Agent by reason of that capacity, and the Agent has no right of survivorship in the account. The Agent promises to keep records in good faith and in the ordinary course of business which detail the interest of the Principal at all times. Revocation or termination of the power of attorney shall be effective as to us only after we have actual knowledge of the revocation or termination (which means we have received written notice or revocation or termination or received a death certificate or court order), and then only after we have had a reasonable time to act upon such knowledge.

DEATH OF ACCOUNT OWNER

We may continue to honor all transfer orders, withdrawals, deposits and other transactions on an account until we are notified of a Member's death. Once we are notified of a Member's death, we may pay checks or honor other payments or transfer orders authorized by the deceased Member for a period of ten days after that date unless we receive instructions from any person claiming an interest in the account to stop payment on the checks or other items. We may require anyone claiming a deceased owner's account funds to indemnify us for any losses resulting from our honoring that claim. This agreement will be binding upon any heirs or legal representative of any account owner. If you do not select a joint owner on your checking account, in the event of your death, funds will be transferred to your primary savings account and paid to the beneficiary(ies), if applicable, named on the account. All dividend payments to an account may cease to accrue effective the date of death of the primary owner and any dividend payment made after the date of death of the primary owner may be reversed from the account upon the Credit Union's receipt of notice of the death of the primary owner.

ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

ELECTRONIC FUND TRANSFERS INITIATED BY THIRD PARTIES.

You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check or draft to an electronic fund transfer or to electronically pay a returned check or draft charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and Credit Union information. This information can be found on your check or draft as well as on a deposit or withdrawal slip. Thus, you should only provide your Credit Union and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits.** You may make arrangements for certain direct deposits to be accepted into your checking or savings account(s).

We do not charge for direct deposit to any type of account.

- **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your checking account with no transaction limitations.
 - If you make arrangements to pay certain recurring bills from your Membership Savings Account(s), Money Market Account. Federal Regulation D limits pre-authorized transfers from your Membership Savings Account(s), Money Market Account. During any statement period, you may not make more than six withdrawals or transfers to another Credit Union account of yours or to a third party by means of a pre-authorized or automatic transfer. This includes transfers by phone, fax, wire and cable, overdraft transfers to checking, Internet instruction, by check, draft or debit card, or similar order to a third party. If you exceed the transfer limitations set forth in any statement period, your Membership Savings Account and Money Market Account may be subject to closure by the Credit Union.
 - We do not charge for preauthorized payments from any type of account
- **Electronic check or draft conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking or share draft account using information from your check or draft to pay for purchases or pay bills.
- **Electronic returned check or draft charge.** You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check or draft is returned for insufficient funds.

ATM TRANSFERS

DOCUMENTATION

- **Terminal transfers.** You can get a receipt at the time you make a transfer to or from your account using an automated teller machine (ATM) or point-of-sale terminal (POS). However, you may not get a receipt if the amount of the transfer is \$15 or less.
- **Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at 800-323-2611 to find out whether or not the deposit has been made.
- **Periodic statements.** You will get a monthly account statement from us for your checking accounts. You will get a quarterly account statement from us for your savings accounts, unless there are electronic transfers in a particular month, then you will get a monthly statement.

PREAUTHORIZED PAYMENTS

- **Right to stop payment and procedure for doing so.** If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how: Call or write us at the telephone number or address listed in this brochure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you a fee for the stop-payment order (See Current Fees and Charges Schedule).
- **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)
- **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

FINANCIAL INSTITUTION'S LIABILITY

Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money in your account to make the transfer.
2. If you have an overdraft line and the transfer would go over the credit limit.
3. If the automated teller machine where you are making the transfer does not have enough cash.
4. If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
5. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
6. There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

1. where it is necessary for completing transfers; or
2. in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
3. in order to comply with government agency or court orders; or
4. as explained in the separate Privacy Disclosure, or with your written permission.

UNAUTHORIZED TRANSFERS

a) Consumer liability

- **Generally.** Tell us AT ONCE if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check or draft. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

- **Additional Limit on Liability for Visa Debit Card.** Unless you have been negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Visa Debit Card. This additional limit on liability does not apply to ATM transactions which are not processed by Visa, or to commercial cards.

b) **Contact in event of unauthorized transfer.** If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed in this brochure. You should also call the number or write to the address listed in this brochure if you believe a transfer has been made using the information from your check or draft without your permission.

c) For purposes of these disclosures, our business days are Monday through Friday – Excluding Federal Holiday.

ERROR RESOLUTION NOTICE

In case of errors or questions about your electronic transfers, call or write us at the telephone number or address listed in this brochure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days for Visa Debit Card point-of-sale transactions and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days for Visa Debit Card point-of-sale transactions and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made unless each of you already has an established account with us before this account is opened. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements you receive.
4. Don't lend your ATM/Visa Debit Card to anyone.
5. Remember; do not leave your ATM/Visa Debit Card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM/Visa Debit Card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM/Visa Debit Card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM/Visa Debit Card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your ATM/Visa Debit Card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your ATM/Visa Debit Card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

FUNDS AVAILABILITY POLICY DISCLOSURE

This policy statement applies to “transaction” accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your cash and check deposits available to you on the same business day we receive your deposit. At that time, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at an ATM before 2:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit at an ATM after 2:00 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

LONGER DELAYS MAY APPLY

Case-by-case delays.-In some cases, we will not make all of the funds that you deposit by check available to you on the same day we receive your deposit. Depending on the type of check that you deposit, funds may not be available until the next business day after the day of your deposit. The first \$200 of your deposit, however, may be available on the same day.

If we are not going to make all of the funds from your deposit available on the same day we receive your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our Team Members or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard exceptions. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new Member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the same day as the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the seventh business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the seventh business day after the day of your deposit. We welcome further questions that you may have regarding the availability of your deposited funds.

DEPOSITS AT AUTOMATED TELLER MACHINES (ATMS)

Funds from any deposits (cash or checks) made at ATMs we own or operate will be available on the second business day after the day of deposit, except that U.S. Treasury checks that are payable to you will be available on the first business day after the day of deposit. Also, the first \$200 of a deposit will be available on the first business day after the day of deposit. Checks drawn on DuPage Credit Union will be available on the first business day after the day of deposit if the deposit is made at an ATM located on our premises. Funds from any deposits (cash or checks) made at ATMs we do not own or operate will not be available until the second business day after the day of your deposit.

All ATMs that we own or operate are identified as our machines.
